KidsWell School-Based Health Center

KidsWell provides healthcare to children in the school setting. Services include:

- Well child checks and initial behavioral assessments (parent/guardian must be present.)
- Sports physicals
- Sick visits
- Chronic illness management such as asthma and allergies

For questions, call your school nurse or the KidsWell team at 843-754-7670 or 843-830-1250.
